Re: Request Under Rule 2.102 To Extend
Time for Filing Notice of Opposition

Madam:

In the matter of the above-identified application which was published in the Official Gazette of November 9, 1999, page TM 100, it is respectfully requested that the time for filing a Notice of Opposition to the above application be extended for period of sixty (60) days from January 21, 2003 to and including March 22, 2003.

Opposer has received the Board's December 13, 2002 communication indicating that no further extensions will be granted in the absence of a detailed explanation reciting what progress the parties have made toward resolving the above-captioned matter.

A settlement agreement resolving a potential dispute between the parties has been finalized and executed. The effective date of the agreement is December 11, 2002. Pursuant to the agreement, on January 14, 2003 applicant submitted an amendment to its application to the Examining Attorney. The parties request additional time to allow the Examining Attorney to receive and review applicant's amendment and determine whether such amendment is acceptable.

Applicant's attorney has agreed to this further extension.

Respectfully submitted,
